Dear Parent/Guardian:

In the past, dental examinations for students were strongly recommended but not required by the State of Illinois.

Effective July 1, 2005, students entering Kindergarten, second, and sixth grades are now **required** to submit proof of a dental examination to the school they are attending.

If you should have any questions, or are having difficulty meeting this requirement, feel free to contact me at (708) 385-3269 ext. 203.

Sincerely,

Mary Beierle, BSN, RN, IL-CSN
District Nurse
