

Dear Parent/Guardian:

All students entering kindergarten are required by the State of Illinois to have a current dental, eye, and a physical examination with a record of required immunizations on file with the school they will attend. All of those requirements are mandated by state law. Children not in compliance with this law will be excluded from school until requirements are fulfilled.

Please return all forms before the first day of school.

Do not hesitate to contact me with questions or concerns. I can be reached at 385-3269 ext. 5203.

Sincerely,

Mary Beierle RN
